LICINIUS

The tribunes LICINIUS and
SEXTIUS proposed that interest
already paid should be deducted from
the principal, the balance to be met
in 3 yrs, that no man be allowed
to own more than 500 iugera (about
300 Acres) of land, or to use on them
more than a certain proportion of slaves
to free laborers and that one of the

The council should regularly be chosen from the plebs.

Threatened with the 3rd Decemvir
the Senate accepted the "Licinian law",
and Cornelius leader of the conservatives
celebrated the anniversary of the close
by building a statue Temple of Concord
in the Forum.
